

Copeco has been supporting essential businesses for 50 years! We are operating normal hours with the current proper safety protocol. Our focus is helping businesses and their employees set up to continue to work safely from home.

We are offering a Business Ready Home Office package for \$99/month. This one low monthly payment includes an HP notebook PC, Tech support and an HP printer. To further help businesses, we are going to defer payments until July. To get your Home Office Package - call Shawn Sanders at 419 868-9100.
